Living and Learning Statement

This half term our St Patrick's children are showing how they are **respectful** of others and our differences and they **listen and discuss** for deeper understanding.

Our School Car Park

Can we politely remind parents that the school car park is for staff and visitors **only**!

We have noticed a number of cars coming into the carpark at the start and end of the school day, and we are deeply concerned that an accident involving a child may occur.

If there is a specific reason you need to utilise our school car park during these times, please can you contact the school office to make us aware of this.

Thankyou for your understanding and keeping our children's safety a priority.
