School Update and Classes for September 2020

Dear Parents/carers,

We have been open since the 1st of June for vulnerable and key worker priority groups, and have also introduced Reception children. We have six bubbles of children and staff across school – all with their own classes, outdoor space, toilets and provision. The bubbles are almost at capacity, and some are full.

We would love nothing more than to introduce more children, however after much deliberation and review, we have decided that this is how it must remain for the last three weeks of school to ensure our current provision is safe and sustainable. We are looking forward to seeing our Year 6 children on the 15th June for their celebration day.

Now we are planning ahead to September and, although we are still waiting for further guidance from the government about how this will be organised, we are hopeful that all children should be able to return.

CLASSES FOR SEPTEMBER

We will be saying goodbye to Miss Wilson and would like to wish her well in her future endeavours and thank her for her time here at St. Patrick's.

We would like to welcome Miss Bell back from her maternity leave and good luck to Mrs Reid as she begins hers!

We welcome Miss Blair, who will be one of our Year 3 class teachers, and has taught previously at Montreal school.

Mrs Rossi, our new child and family support worker, has been getting to know the school and children this term, and will continue to support children and their families from September.

	Teacher	Classroom	Other information

We are extremely lucky in our school that we have such strong and experienced support staff who will continue to help and support learning in class, and beyond.

We are all very much looking forward to September and cannot wait to see the children.

Yours sincerely,

G Wilkinson
