HOME LEARNING

January 2021

Dear parents and carers,

We have compiled the following information for you regarding our school's home learning and how we will keep in touch with your child during the next few weeks of home schooling.

You will remember last term that we provided each child with an individual e-mail address. You or your child will need to submit your child's work to their class teacher using this address. If you require a password reset, contact the office via admin@st-patricks-cleatormoor.cumbria.sch.uk or call 01946 810513.

If you are struggling with internet access please contact us.

We will put some exercise books outside of school all day tomorrow for you to come and collect one for your child's home learning.

How will my child access the home learning?

All learning will be disseminated via the school website. You can find this by going to:

<https://www.st-pats.co.uk/>

1. Class Pages Tab

2. Home Learning

3. Year Group Tab

What will my child's learning look like?

Each day will consist of the following:

- A Reading task
- An English lesson
- A Maths lesson
- Other subject lesson - RE, Science, Foundation subject x 3

Learning will be delivered in a variety of ways including:

- Pre-recorded lessons from the teacher
- Learning videos
- Power Points
- Directed tasks
- Use of stories and pictures.

Submission of work

All pupils have been provided with an email address and they will use this to email work/photographs of work to their class email address - **the class email address is located on their home learning page.**

All children are required to send a photo of their learning on the following days:

Wednesday	1x piece of English 1x piece of Maths 1x other subject area (as decided by the class teacher)
Friday	1x piece of writing 1x piece of maths

Will my child receive feedback on their learning?

All pupils will receive feedback on the learning they have submitted to their class email. The feedback will be emailed back to them using their school email address.

What if my child will not complete their learning?

We are very hopeful that all pupils will complete their home learning; however, we know that sometimes they can be reluctant to do this. Teachers will monitor the work that they are submitting and complete the following steps if they do not receive it:

- Phone call home to discuss reasons for work not being submitted (e.g. child could be unwell, technological issues, refusal)
- Discuss a resolution - actions to be taken (the child will be involved in the discussion).
- If issues persist, the Head teacher/ Deputy will make contact.

Will my child be able to speak to their teacher?

All teachers are contactable via email and by phone call during school hours.

In addition, they will have a weekly Zoom meeting with their teacher, TA and classmates.

Miss Wilkinson will also be recording a weekly assembly.

Yours sincerely,

Gayle Wilkinson
Headteacher

Lisa Pritchard
Deputy Headteacher
